Carl Fox has spent the last 38 years, by the grace of God, ministering in the Body of Christ. From Washington to Maine and internationally in India, Romania, the Ukraine and Mexico, he has prayed for and taught people how to claim God's healing, to be set free and rise up to stand for the Lord. Carl's life and ministry can best be explained by his faith in the Word of God and determination to walk in the spirit without limitation and his willingness to work to help equip each individual in the Body of Christ with the whole armor of God.
